

Watermelon, Rosewater and Pomegranate Summer Cocktail

Serves 2

1 cup of roughly blended watermelon
Handful of roughly chopped mint leaves
½ cup of pomegranate seeds
1 teaspoon honey
50 ml Gin (I love and use Hendricks)
50 ml Vodka (I'm a Grey Goose fan)
Juice of ½ lime
1 cup soda
Just under a teaspoon of rosewater

Put all in a shaker and shake!

Test to see if there's anything else it needs (sweetness? a little more lemon? more Hendricks?)
