

The background of the entire image is a dense, repeating pattern of tropical leaves. The leaves are primarily a vibrant green color with prominent, lighter green veins. Some leaves have a yellowish or golden tint, particularly towards the tips. The leaves are arranged in a somewhat chaotic but rhythmic pattern, filling the entire frame. In the center, there is a white, shield-shaped graphic with a black outline. The top of the shield is curved, and the bottom has a decorative flourish. The text is centered within this shield.
